

2024 秋クラス

Class name: 初級水 Basic Wed. (Online /18:30-20:00)

Instructor: Ms. Claire Summers

This course is aimed at students who are interested in communicating with others in English but maybe haven't spoken it for a long time. If you studied English in the past but you feel you have forgotten what you learnt, or if you think your English is locked inside you somewhere but you need more confidence to be able to use it, then this is a good class for you!

In this online class, I aim to create a friendly and supportive atmosphere where you can use roleplays and group work to talk about a wide range of subjects including media, culture and health. By watching easy-to-understand videos and listening to real life stories you will develop the skills necessary to communicate in a range of situations. The main focus will be on speaking and listening but will also include vocabulary, basic grammar and pronunciation practice.

The textbook is Reflect Level 2. You can see a sample chapter here:

I look forward to helping you restart your English journey!
